- Actual speeds may vary and are not guaranteed. Visit legal.HughesNet.com for more information.
- Streaming is optimized with video streams at DVD quality (up to 480p). For best performance, leave any video streaming applications at their default automatic resolution setting. You may choose to change the video resolution at any time. Most video services are supported. Not all video sources are identifiable.
- If you exceed your monthly plan data, you will experience reduced data speeds, may be as low as or lower than 1 Mbps, until your next billing period.
- Express Repair – Basic includes 2nd business day onsite service, 8am–5pm, Monday through Friday. \$29.95 per onsite repair incident applies in addition to monthly fee. Express Repair – Premium includes next business day onsite service, 8am–5pm, Monday through Friday. \$29.95 per onsite repair incident applies in addition to monthly fee.
